

SUBMISSION FORM

Blue Line's annual Best Dressed Police Vehicle Awards showcases innovative, sustainable and effective designs for police vehicle graphics and equipment packages and installation, and shares those designs with the police community in Canada. These vehicles are often the most public face of policing and should reflect their communities as well as serve as a symbol of civic pride. The contest has four categories and recognizes one winner in each, except the Best Dressed Police Vehicle category, which also honours second and third place.
